

ONTARIO
**SCIENCE
CENTRE**

October to November 2010

www.OntarioScienceCentre.ca

770 Don Mills Road, Toronto, Ontario

PREFERRED PARTNER PROGRAM

It's no wonder the Ontario Science Centre is one of Toronto's most visited cultural attractions, with hundreds of permanent exhibits, special visiting exhibitions, Ontario's only IMAX® Dome Theatre and live daily demonstrations. There's more than enough to pack into one visit!

Mythic Creatures: Dragons, Unicorns & Mermaids OPENS OCTOBER 9th, LIMITED ENGAGEMENT

For thousands of years, mythical creatures have been embedded in the human experience through legends and fables and ancient art. Delving into this world of fantastic creatures from the oceans, land, and air, *Mythic Creatures* includes spectacular sculptures, paintings and textiles, along with a number of cultural objects ranging from shadow puppets to ceremonial masks, bringing to light the ways people around the world envision and depict these wonderful creatures!

TWO NEW SPECIAL EXHIBITIONS FREE WITH GENERAL ADMISSION

Whales/Tohorā OPENS NOVEMBER 4th, LIMITED ENGAGEMENT

Exhibit
Spotlight

Explore the dramatic undersea world of whales in this exciting exhibition—alive with stories, intriguing objects, and interactive science! See a sperm whale, hunt giant squid, hear astonishing whale calls and crawl through a model blue whale heart!

Build a digital dolphin and see if it can swim, explore whaling history and be amazed by giant skeletons! Learn about the Māori of New Zealand through rich whale-riding stories and traditions.

Don't miss these fascinating IMAX® films at our Dome Theatre!

IMAX® HUBBLE

Journey through distant galaxies to explore the grandeur of our celestial surroundings through the Hubble Space Telescope in this new IMAX film!

NEW LEGENDS OF FLIGHT

Discover how 100 years of aviation inspired a radically new generation of passenger airliners, the Boeing 787 Dreamliner and the Airbus A380.

Visit www.OntarioScienceCentre.ca for show times.

Mythic Creatures: Dragons, Unicorns & Mermaids is organized by the American Museum of Natural History, New York, (www.amnh.org) in collaboration with the Field Museum, Chicago; Canadian Museum of Civilization, Gatineau; Australian National Maritime Museum, Sydney; and Fernbank Museum of Natural History, Atlanta. *Whales/Tohorā* is developed and presented by the Museum of New Zealand Te Papa Tongarewa. This exhibition was made possible through the support of the New Zealand Government. Sperm Whale © Brandon Cole; *Hubble* is an IMAX and Warner Bros. Pictures production, in cooperation with National Aeronautics and Space Administration (NASA). The film reunites the Space Station filmmaking team, led by Producer/Director Toni Myers; *Legends of Flight* is directed by Stephen Low and produced by Pietro L. Serapiglia and executive produced by K2 Communications.
