Special Holiday Programs ~ Dec. 26 to Jan. 8
Holiday Break Sponsored by VINCI

REDISCOVERING DA VINCI

A time traveler arrives on a mission... to show us how to think like da Vinci. Be a part of this interactive stage show which explores how the past affects the future. Discover how da Vinci's way of seeing the world resulted in groundbreaking ideas and inventions that are still used to this day.

Check our website for more details on these and other special programs!

ELECTRICITY DEMO

Jingle Bell, Jingle Bell, Jingle Bell "Shock"...at our famous ELECTRICITY DEMO: Get a charge out of the Van de Graaff generator (a.k.a. "The ball that makes your hair stand up") and find out "what's watt" with this whole electricity thing!

Leonardo
DA VINCI'S WORKSHOP

THE EXHIBITION

Only here until March 18, 2012 - Separately priced.
Presented by Barilla Canada Inc.

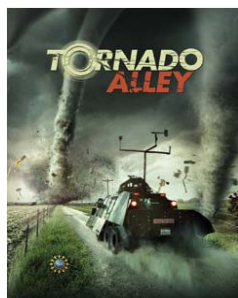

Explore the science of art and machines, interact with hands-on devices presenting Leonardo's drawings and notebooks, and learn about his life story. See Leonardo's concepts spring to life — from his screw-shaped flying machine to a mechanical lion, robot soldier, musical instruments and much more.

GPS ADVENTURES

Only here until January 8, 2012 - Included with admission.

See how Global Positioning System (GPS) technology is changing the way we live, work and play. Experience GPS and Geocaching as you go through a maze of fun and interactive activities. Find your way out using GPS Adventure Cards!

Stimulate your senses under the IMAX® Dome

With a screen 4,500 times bigger than an average TV screen delivering 13,000 watts of sound from 44 speakers, your senses will be overwhelmed by the biggest, most involving film experience ever! The "see-through" projection booth and Canadian-made projection system make it a fascinating exhibit!
