A Bargaining Bulletin for OPSEU Members at Canadian Blood Services

September 14, 2009

Conciliation talks resume

Your bargaining team is back at the table in conciliation talks this week after a summer hiatus. Your team is committed to getting the best possible deal for you. One of the best ways to ensure a good deal is to show your continued solidarity.

Demonstrate your solidarity. Wear your stickers, and let the employer know...

“It’s not in us to give in!”

As talks progress we shall keep you informed—Stay tuned!! Stay Solid!!

OPSEU members demonstrate the kind of province-wide solidarity that gets the job done!

YOU are the power behind bargaining!

Years of bargaining with CBS have taught us one thing: it takes all of our members, united with the bargaining team, to make gains at the table. A message that YOU will do whatever is necessary to support your bargaining team gives us power at the table.

Fair and Equitable is not automatic in CBS!

It takes more than a good bargaining team to win a good contract. Members must unite and tell the employer that fair and equitable is the only thing that is acceptable.

Mobilize with us! Make sure CBS knows they can’t manage without you!

Your bargaining team is determined to deliver the contract you deserve.

Stay United ... Stay Strong!

Thank you for your continued support.
