Dear Ms. *Leah* Casselman:

Thank you for taking the time to write to me about the Ontario Children and Youth Summit.

Please accept my sincere apologies for our oversight in not inviting OPSEU to the 2005 Ontario Children and Youth Summit. I can assure you that we will be pleased to add OPSEU to the guest list should we decide to host the summit in 2006.

I deeply appreciate the contributions made by frontline workers each day, and I know that we share similar goals and beliefs. We need to work with all of our partners and draw on all of our collective experience and expertise in order to help our children and youth achieve their full potential.

The Ontario Children and Youth Summit is the ministry's signature stakeholder event and is a unique opportunity to speak and interact with a broad cross-section of interested and engaged stakeholders from across the province that are committed to shaping and providing a better future for our children.

For more information about the summit and to view the presentations, I encourage you to visit our website at [www.children.gov.on.ca](http://www.children.gov.on.ca).

Once again, thank you for writing.

Sincerely,

*Mary Anne Chambers*  
Mary Anne Chambers  
Minister
