GETTING THE MESSAGE OUT

Date: September 10, 2007

Location: Olympic Harbour Centre, 53 Yonge Street, Kingston

Time: 6:00 to 8:00 pm.

Light refreshments served

Speakers' Panel:

Heather Elbard, President of Children's Mental Health Ontario

Dr. Abel Ickowicz, Chief of Psychiatry, Hospital for Sick Children

Susan Hess, President of Parents for Children's Mental Health

One in five Ontario children and youth have a diagnosable mental health problem. We know that early intervention and treatment works. Children and youth do not have a vote. Children and youth with mental health problems need champions who will hold the next provincial government accountable and demand that children's mental health be an integral part of public health policy. **Children's mental health can no longer be treated as the orphan of public health care.**

Please come out and join us in "GETTING THE MESSAGE OUT".
