

ANTI SCAB RALLY

The St Thomas District Labour Council with support from OPSEU Local 151 & CAW Local 1001 will be holding an Anti-Scab rally in St Thomas. The use of replacement workers (scabs) continues to disrupt our community, while only serving to lengthen work stoppages it also serves as the number one cause of unwanted violence and disruption on picket lines. Now is the time to make your voice heard, join us in calling on our Labour Minister Steve Peters to reinstate anti scab legislation.

When ? - Friday July 20th

Where ? - Downtown St Thomas (across from Steve Peters Office)

Time ? - We will assemble at 12:00pm
