As part of its announcement OPSEU included a description of the steps which had to take place in order for the distribution to take place.
6. On the same date, Local 330 emailed the announcement to all current and former members of Local 330 for whom it had an email address on file. In addition, OPSEU created a dedicated email address for inquiries from current and former members ([simcoewindup@opseu.org](mailto:simcoewindup@opseu.org)).

information meeting on June 8, 2011 for any affected current and past members of Local 330.

10. On June 8, 2011 OPSEU held an information meeting for affected Local 330 current and former members. The purpose of the meeting was to update current and former members of the status of the surplus distribution.
11. As part of the meeting Local 330 distributed a "backgrounder", and a "Frequently Asked Questions" information sheet.
12. At the information meeting all attendees were asked to contact anyone they thought might be eligible. A contact sheet was developed and distributed. A 1-800 number was set up in order for current and former members to call with inquiries or to provide their contact information. Attendees were also asked to provide OPSEU with their current contact information. Active members were also asked to contact any former members of Local 330 that they knew who were no longer employed by the Board in order to advise them to complete a contact form.
13. On June 9, 2011 the above noted backgrounder, Frequently Asked Questions information sheet and contact information sheet were posted on the OPSEU provincial website as well as the Local 330 website.
