

# Fair is fair

We are the front-line workers of the Ontario Teachers' Pension Plan.

We are responsible for investing the funds, administering benefits, advising school boards, assisting teachers, ensuring the accuracy of all transactions, preparing and mailing all communications and maintaining all records.

We are the reason the OTPP continues to be ranked as one of the top pension plans in the world.

We take pride in providing the best service to our members.

Management claims there is not enough money in the Plan to meet our demands, but they could sure afford to pay the top executives in 2005:

- Claude Lamoureux, President & CEO, earned \$5,540,234 or \$21,309 a day,
- Bob Bertram, Executive V.P., earned \$5,138,154 or \$19,762 a day,
- Neil Petroff, Senior V.P., earned \$3,181,974 or \$12,238 a day,
- Brian Gibson, Senior V.P., earned \$3,032,072 or \$11,662 a day,

The pay for the four top OTPP executives is **\$64,971 a day**. The union is seeking an increase equivalent to **\$7 per day** (on average, based on 2005 earnings). All we ask is to be compensated fairly for our contributions to the success of the Plan.
