Bargaining news for OPSEU HPD members

Issue sheet # 1

# Bargaining: it takes a big team

**You elected a bargaining team to represent you at the table in negotiations, and your team has been working hard on your behalf.**

**But a bargaining team is only as strong as the members it represents.**

**The OHA has been engaging in unfair labour practices to keep us from getting the contract we need.**

**If you want a fair contract, and real wage gains, you have to stand up and be counted.**

**If you want to improve working conditions, ditch two-hour call back and protect your future, you must support the team.**

**If you want to ensure there is enough staff in the future to take care of patients, you have to act now.**

**It's time for everyone to join the team in this round of bargaining.**

**Support your team: Do "whatever it takes!" to get the best contract now.**
