

HELP SAVE AJAX HOSPITAL

Saturday May 3

- 12:30 pm march
- 1:30 pm rally and BBQ

Ajax residents have raised millions of dollars for our community hospital. Now the Central East LHIN and the Rouge Valley Hospital Board are cutting and transferring health services that our community needs.

On Saturday May 3, send a message to Ontario Health Minister George Smitherman and local MPPs Joe Dickson and Wayne Arthurs.

- NO TRANSFER of 20 mental health beds to Scarborough Centenary
- NO CUTS to 36 cardiology, surgery, and rehab beds
- NO LAYOFFS of 220 nurses and front line workers
- STOP UNDERFUNDING the Rouge Valley System

Ajax needs and deserves a full service hospital.

Ajax, Durham Region, Whitby, Brock and Uxbridge have pledged their support.

Now we need *your* support!
