

London Community Forum on Mental Health:

Freeze Mental Health Restructuring - Invest in necessary community resources

- What has been the impact of ongoing changes to mental health on patients, families and workers?
- What has been the local experience of mental health cuts and transfer of services out of hospitals?
- What needs to be done to address the problems that our community is experiencing?

Panelists: Dr. H. Merskey, Psychiatrist
Ian Peer, London Police, Deputy Chief
Tom White, client
Mary-Lou Greenwood, family member
Warren (Smoke) Thomas, President, OPSEU
