Mr. Paul Lamothe
Vice-President
Credit Risk Management
Bank of Nova Scotia
61 Front Street West
TORONTO, ON M5J 1E5

Dear Mr. Lamothe:

The members of the Ontario Public Service Employees Union are now engaged in negotiations towards a new union contract with the province's 24 community colleges.

These negotiations began in March 2003, and we are continuing as of this date. We hope a satisfactory collective agreement will be reached between the colleges and their 8,500 teachers, counsellors and librarians working throughout the province.

However, if there is an impasse resulting in strike or lock-out, many OPSEU members on the picket lines will be without their regular employment earnings during the work stoppage.

We have many members who have loans with branches of your company. We are advising them that if their personal circumstances require, they should seek to reach an accommodation directly with your branch managers for a temporary deferral of payments on loans.

It is my hope that your organization will honour our many members' patronage with your co-operation, so that individuals and their families will not face undue hardship.

If you require further information or clarification about the situation, please contact me at extension 303.

Yours sincerely,

Warren (Smokey) Thomas
