

How credible are Ontario's community colleges?

They say it will be **business as usual** if your support staff go out on strike **September 7**. Business as usual, without these folks?

Academic logistics officer, academic services coordinator, academic student advisor, academic support officer, accounts payable clerk, accounts receivable clerk, administrative assistant, grounds maintenance. (Bargaining unit professions from colleges across Ontario)

Support staff are asking for fair wages, not the seven per cent increase college managers gave themselves last year. With your help we can all start the school year on time. Tell your college: no support staff equals no students. We deserve better and so do you.
