

# CAAT part-timers campaign “I believe in fairness” mug order form

College part-timers should have the same rights to join a union and bargain collectively as full-time college workers and workers in almost every job in Ontario.

Want to help deliver that message in your workplace? One way is to order OPSEU’s “I believe in fairness” coffee mug for members of your local – and college part-timers themselves. The cost is just \$2.00 per mug.

Simply complete this form and fax it to OPSEU Campaigns at 416-443-1762. The cost will be deducted from your local’s next dues rebate. Your mugs will be shipped to your OPSEU regional office for pick-up.

Be sure to send in your order as soon as possible. Delivery could take up to two weeks, depending on availability.
