

OUR LCBO

LET'S KEEP IT PUBLIC!

Dear Mr. McGuinty:

Putting the profit motive into alcohol sales by expanding the number of private "agency stores" is a dangerous idea. An operator whose income depends on every sale is less likely to challenge an under-age or intoxicated customer.

In 2005, you promised not to privatize the LCBO, yet that is what the agency stores program does. PLEASE STOP IT. I am asking you to put an immediate freeze on all new agency stores and launch a full public review of the program. I believe all Ontario communities can be well served by real LCBO outlets that keep alcohol under public control.

Sincerely,
