

NO MORE CUTS

Rebuild our public services!

Help Send a Message to Dalton McGuinty!

The McGuinty Liberals promised to rebuild Ontario's public services. It's what got them elected. But almost two years later, vital services are still being cut, facilities are being closed and more than 6,000 Ontario public service employees are facing layoffs.

Join OPSEU and frontline public service workers to send a message to Dalton McGuinty and the Ontario Liberal government:

Time's Up, Dalton. Keep Your Promises Now!
