

What matters most to you and your family?

It's a bargaining year for OPSEU members in the Ontario Public Service. What changes do you want to see in your next collective agreement?

The 2004 OPS demand-setting survey is your first chance to have your say. Surveys are being mailed to members at their home address. If you don't receive a survey by June 7, visit www.opseu.org or (better yet) get one from your OPSEU steward or local president by contacting:
