

**BARGAINING ISSUES SURVEY and LOCAL DEMAND SETTING MATERIALS
EVALUATION FORM
(2008)**

Please have one member of your local fill out this form to report on your Local's experience with the bargaining survey and local demand set forms and accompanying instructional and background materials. You can return this form to your Regional Office along with the other forms in this book which will be forwarded to the Research Unit at Head Office.

1. Did you and your members find the Table Talk information helpful?
Yes No

If not, explain how would you like it to be changed.

2. Did you and your members find the survey and accompanying instructions easy to follow?

Yes No

If not, please explain where you had difficulty, i.e. question number, and why.

3. Do you have any suggestions as to how the survey could be improved or additions you would like to see added?

Please Explain:

4. Did you have any serious problems with collecting the survey from the members?

If Yes, please explain:

Yes No

5. If you raised some problems under question #4, do you have any suggestions on how to improve the collection of the survey?

Please Explain:

6. Did your Local have any difficulties in preparing the Survey Tally Sheets? Please explain, referring, if necessary, to the specific part of the forms that may have caused difficulties.

7. If you had difficulties with the Survey Tally Sheets under question #6, can you suggest how this can be improved?

8. Did your Local have any difficulties in preparing the Local Demand-Set Report-Back forms? Please explain, referring, if necessary, to the specific part of the forms that may have caused difficulties.

9. Do you feel the results of the survey as reported in the Survey Tally Sheets and presented at your Local Demand-Setting Meeting were useful to your Local in setting demands?

Any Comments?

Yes No

10. Did your Local's priorities reflect the members' priorities as set out in the Survey Tally Sheets?

YES MOSTLY SOMEWHAT NO

11. Do you have other general comments to make on the Bargaining Issues Survey or the Local Demand Setting process overall?

12. Do you think the Union should continue to use this survey approach in the future rounds of bargaining?

Yes No

Any Additional Comments?
