INSTRUCTIONS

1. This form is to be filled out in full following acceptance of this central/bargaining unit issue status change, by the bargaining unit involved or by the entire local, at your local demand setting meeting. The names required above are important should the team need to contact someone for more information on the request.
2. To be valid, the following conditions must be met:
 - a) Only submissions made through the local demand setting process and recorded on this form will be included in the package placed before the central negotiating team for a final decision.
 - b) Within two working days after the local demand setting meeting, locals shall forward their demands, including special case wage adjustment demands, to their OPSEU regional office. Demands will only be considered official if they are adopted by the local, signed by two officers of the local, and accompanied by the minutes of the demand setting meeting. Minutes must be signed by two officers of the local and state that quorum had been met, to be official.
 - c) This form must be received at your Regional Office by **June 9, 2008** or your demands will not be included in the Local Demands and Issue Resource Book, to be given to the Bargaining teams.
