

# NO

## PUBLIC SERVICE JOB IS SAFE.

“...real cuts of upwards of 33 per cent in some ministries... some of them are going to be enormously controversial...”

*Dwight Duncan, Minister of Finance, Toronto Star,  
November 16, 2011*

Since 2009, at least 3,400 Ontario Public Service jobs have been cut. How many more **thousands** will be cut in the 2012 budget?

**CUTS HURT US ALL**

# IS YOUR JOB NEXT?

## THESE ARE SERVICES IMPACTED BY THE 2011 JOB CUTS:

- > Program for adults with developmental disabilities – **eliminated**
- > Monitoring of local governments delivery of social assistance – **eliminated**
- > Drinking water inspectors – **reduced in four districts**
- > Scientific and technical expertise on air and water quality – **reduced**
- > Answering inquiries from the public on road safety enforcement – **reduced**
- > Processing of court documents, e.g. restraining orders, child and spousal support orders – **reduced**
- > Processing of claims from health care providers – **reduced**
- > Regulation of pay day loans, collections agencies – **reduced**
- > Support for road safety enforcement – **reduced**

## **THERE IS AN ALTERNATIVE TO CUTS AND PRIVATIZATION.**

**Tell your story.** The Public Services Foundation of Canada is joining with OPSEU to review public services and tax fairness. We want to hear from you. [www.standupontario.org](http://www.standupontario.org)

**Get ready to plug yourself in.** Bargaining for the next collective agreement begins in 2012.
