

YOUR PUBLIC SERVICES ARE BEING CUT

The Ontario government is cutting a minimum of 5,000 public service jobs by March 2014.

Here are just some of the services impacted *this year alone*:

- › Program for adults with developmental disabilities – **eliminated**
- › Monitoring of local government delivery of social assistance – **eliminated**
- › Drinking water inspectors – **reduced in four locations**
- › Answering inquiries from the public on road safety enforcement- **reduced**
- › Processing of court documents, e.g. restraining orders, child and spousal support orders – **reduced**
- › Processing of claims from health care providers - **reduced**
- › Regulation of pay day loans, collection agencies - **reduced**
- › Support for road safety enforcement – **reduced**

PUBLIC SERVICES ARE MORE THAN EDUCATION AND HEALTH CARE.
