

OEB Voice

Information for OPSEU members at the Ontario Energy Board,
part of the Ministry of Energy No 1. May 26, 2003

Know your rights in a time of change

OPSEU has organized two meetings to let you know what your rights are if the government proceeds with Bill 23.

- **Northern District Library**
- **Monday June 2**
- **Noon or 1 p.m.**

We invite OEB members to attend either the noon or the 1 p.m. meeting. We will provide pizza and pop

The **Northern District Library** is on the north side of Orchard View Blvd., just north of the Yonge Eglinton Centre. If you exit the mall from HMV, the library is a very short distance west of Yonge at 40 Orchard View Blvd. Enter the first set of doors and turn right to the elevators before entering the second set of doors into the library. Take the elevator to the second floor. Follow the signs to Room 200.

The agenda will be:

1. Introduction of OEB's Reasonable Efforts Committee
2. Review of Appendix 18 - Schedule B - Negotiated Transfer
3. Review of the Organizing Process
4. Question and Answer Session

Please confirm your attendance with Janet Sakauye (sakaujan@rogers.com) or Lina Buccilli (lbuccilli@hotmail.com).

Bill 23 - Ontario Energy Board

Bill 23 has had first reading. All indications are that the government intends to expedite the legislation to remove the OEB from the OPS. Together the OEB Reasonable Efforts Committee and OPSEU will ensure that your rights and entitlements are respected.
